13. Gag Awards –

- a)** Cindi Tolmsoff presented the gag awards while fashioning the latest attire for dove hunting in Old Mexico with Dale and Pat. Her experience of getting “peppered” for the first time in her life, (and 2nd, and 3rd) inspired her choice of a hard hat, safety goggles, and bright orange vest with bright orange shirt below. She surely would have topped that entire garb off with a flak jacket had she been able to find one.
- b)** Dave C was presented with a shiny six-shooter so the next time he judges a test and goofs up by saying “*Dogs up! Guns to the line!*” he’s properly equipped in case a handler needs to borrow a gun.
- c)** Dean Wallace was presented with a wireless phone ear device so we can all call him to tell which dog he has brought to the line. It was bad enough Dean messed up once and sent one of his dogs on the wrong name, but twice over a two year period?
- d)** Vicki Christianson was presented with the Dewberry Queen Crown and a bottle of chigger-rid. Vicki is well known for gathering wild dewberries and making some of the best pies in the world. She claims she’s too mean to need the chigger-rid.
