The Board of Directors of the Bryan-College Station Retriever Club met at 8:45 p.m. to discuss the possibility of hosting the Spring 2004 HRC International Grand Hunt.

After general discussion of land availability, workers, accommodations, banquet facilities, community events and our clubs two hunt tests in the spring it was decided BCSRC could/would host the Spring 2004 HRC International Grand Hunt (Grand). It was agreed that details specific to the months of April and May 2004 would be gathered for the following items before selecting dates for the Grand:

Texas A&M University Corp schedule - Chris Barnes  
Hotel weekends unavailable and community events - Dalene Barnes  
FFA student schedule - Dale Tolmsoff  
Texas A&M events (academic and non-academic) - Rane Cunningham  
Land availability - Dale Tolmsoff & Dave Brannon

It was also decided that needed details could be provided by a meeting with Janet Kimbrough which Dennis Crain agreed to arrange.

The next meeting date was tentatively set for the follow Friday at Dave Brannon's depending on Janet's availability.

Respectfully submitted,

Rane Cunningham  
Secretary
