Dave Brannon's

Members Present: Dennis Crain, Dave Brannon, Dalene Barnes, Steve & Rane Cunningham, Dale Tolmsoff, Dave Christianson, Charles Payne, Steve Harlin
Guest: Janet Kimbrough, Field Rep Area 11, HRC

The Board of Directors of the Bryan-College Station Retriever Club met at 7:30 p.m. to discuss details of hosting the Spring 2004 HRC International Grand Hunt (Grand).

Event dates previously gathered for April and May 2004 were reviewed, additions made and the Grand Hunt dates set for April 24 - 28.

Janet Kimbrough provided a handout of the Grand Hunt Committee Duties. Which include the following subcommittees and positions with each assigned specific duties:

Permanent Grand Hunt Committee, Local Grand Hunt Chairman, Local Grand Hunt Marshal, Hunt Secretary, Grand Treasurer, Food and Banquet Chairman, Grand Judges, Game Steward, Site Game Stewards, Site Field Marshals, Field Helpers, Program Directors.

BCSRC will be responsible for filling all positions except the Permanent Grand Hunt Committee, Hunt Secretary, Grand Treasurer, and Grand Judges. The next items for completion are to submit a budget and select committee members. Janet will provide previous budgets to use as guidelines.

Other items of discussion were:

- Number of bird needs and the possibility of have the game steward be the person from the last Grand.
- Possible benefits and income for the club through raffle sales, lunches, or miscellaneous item sales. Janet said that all raffle profits go to HRC and that any profits from lunch and miscellaneous item sales would more than likely be minimal. That the club should expect little to no monetary gain from hosting the Grand.
- That the commitment for those participating will include dates from April 21 - 29.
- The dinners and banquet locations. It was agreed that several of the directors would check into availability of locations and continue the discussion by e-mail.

The next meeting was set for July 2 at 7:30 and the meeting adjourned.

Respectfully submitted,

Rane Cunningham
Secretary
BCSRC
